

Jan Farrar (Chairperson)

I have lived in Reedham for two and a half years, although we have had close links with the village for a long time, as we keep our family sailing boat here. I trained as a nurse and have worked in many branches of the profession for almost 45 years. After retiring I studied drama at University and now work as a part-time actor and role-player. My interests include sailing, the theatre and looking after our grandson.

Vice Chair Ann Feavers

I have lived in Reedham and Acle for 28 years. I have worked in Social Services (Learning Disability) and in private mental health care. I have experience as a carer and in dealing with cancer and stroke issues.

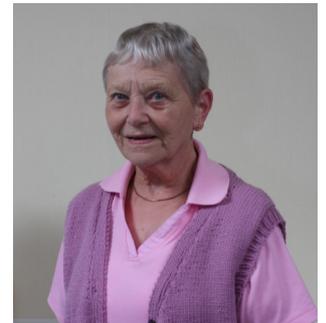

Secretary Pam Sullivan

My name is Pam Sullivan, my working life has been spent in the NHS on the admin and clerical side although I spent several years as an auxiliary nurse in Cardiff. I have worked at the Medical Centre for 12 years initially with the reception team and currently as a medical secretary. I moved to Stokesby from Cardiff with my husband nearly 13 years ago and enjoy walking on the marshes with our two dogs. I like to travel when possible, meet new people and experience different cultures.

Treasurer Betty Snasdell

I have spent all my working life within the NHS – the last 26 years have been in the district locally. Since retiring I have been the organiser for the AVA in Acle.

Melanie Beck

My name is Melanie Beck. I have been a patient at Acle Medical Centre all my life. I gained an English degree with honours and a Music Diploma from The Open University. I volunteer at RSPB Strumpshaw Fen where I share my love of nature with children. I enjoy watercolour painting, all types of craft, writing letters and reading

Sylvia Doggett

I have lived happily in Reedham with my partner Andy for the past 19 years. Part of my secretarial career was at St. Andrew's and Hellesdon Psychiatric hospitals. Also at a busy G.P. surgery. My interests are classical music and watching the ballet, entertaining friends, the countryside and beautiful gardens. The PPG gives me the chance to put forward the views of ordinary patients

Joyce Groves

Joy Salter

I have lived in Acle for 43 years and in the surrounding area all of my life.

I am a carer for one of my daughters who has learning disabilities. I am involved with lots of career issues, working on Steering Groups for the U.E.A, Norwich City College and Norfolk County Council..

Ruth Warner

I have 40years of NHS experience as a registered nurse in both London & Norfolk. The last 20years I spent as a health visitor. Now I am retired I am involved in voluntary work.

I am keen to support patients views & concerns helping to achieve best health outcomes.

Jackie Wheatley

I retired from London where I was an Educational Social Worker. I became a volunteer at CAB and Outreach Manager putting CAB into the community. I am now a volunteer for Victim Support - Witness Service.
